Cellule des femmes / PC

On sait que jusqu'en 1876, cette cellule est réservée aux femmes. Or, la salle de correction, au point 2, supprime toutes les barrières. Plus tard, cette cellule devient celle des PC (collective custody), où on loge les détenus condamnés pour des crimes attribués ou autres crimes commis par les autres détenus.

Women's cell / PC

We know that this is the women's cell until 1876. From the sorted room, all activities in this cell (see for supervised). Later, it becomes the PC (collective custody) cell, where detainees convicted of rape, incest, pedophilia or other crimes, condemned by the other prisoners reside.
